SUMMARY

I'm a passionate Front-End Developer with hands-on experience in HTML, CSS, and Tailwind CSS. I enjoy designing clean, simple, and responsive web pages that provide a great user experience. I may not be very advanced in JavaScript yet, but I'm a fast learner, eager to grow, and always ready to take on new challenges to improve my skills and build real-world projects.

PROJECTS

Animated Login Page

- HTML: Clean layout with animation effects.
- CSS: Styled using modern icons and responsive design.
- UI: Focused on user-friendly login experience with animation.
